

Health, Safety and Environment

P.N. Erichsen A/S is committed to protect the health of its staff and contractors and to provide them with safe and rewarding working conditions.

We are also committed to minimize potential impacts of our activities on neighboring communities and on the environment.

In order to secure that our goals are kept we have set out our commitments in dedicated Health, Safety and Environment policies that comply with national rules and regulations and, regarding significant CSR issues, it will also comply with

- *Danish rules and regulations*
- *EU rules and regulations*
- *IFC Performance Standards on Social and Environmental Sustainability and the World Bank Group Environmental, Health and Safety Guidelines (known as the “EHS Guidelines”)*

The occupational health, safety and environment policy applies for all employees in P.N. Erichsen A/S as well as any sub-contractor working for P.N. Erichsen A/S
